

## **Nursery Weekly Update**

### **Autumn 1-Week 3**

We hope you have all had a restful weekend and you and your child are settling well into your new routine! This week we are still focussing on being aware of our new environment, how to look after equipment and being kind to one another. We have circle times to build on their self-confidence and use our talking teddies Betsy and Bertie in their colour groups. The children are discussing our book of 'The Colour Monster goes to School' and looking at how he might feel settling in. As our topic is 'This is me' each child will be thinking about what they look like, their favourite foods and colours and creating self-portraits to be proudly displayed in our class room.

### **Tuesdays- PE**

\*Our PE sessions are on Tuesdays and the children will be learning to follow instructions and moving and transporting. **Our apologies that you have had conflicting information relating to trainers and plimsolls. Your children need to only have a pair of trainers and wear them to school on PE day.** \*

Can you practise supporting your child in taking their shoes on and off, we understand they have a lot to be learning and thinking about, however with us all working together, the children will become super independent with our support ☺

### **Tapestry**

A link should have been sent to you (check your junk folder) which is only live for 24 hours. This link will then ask you to create your own memorable password for the future. As the children are still settling, all observations of learning will commence from next week, if you have any issues with logging in – please email the school office [admin@bovingdonacademy.org.uk](mailto:admin@bovingdonacademy.org.uk)

### **Wednesdays-Library**

A reminder that all books will be changed on Wednesdays from next week, we hope you enjoying reading with your child, it is always wonderful to ask them lots of open ended questions about the story for example 'who, how, why and I wonder?'

### **Thursdays-Springfield**

If you haven't already, please ensure your child has a named puddle suit and wellington boots as we will explore outdoors whatever the weather! We are incredibly lucky to have our wooded area to learn and investigate in and will enjoy all of the elements during each season.

### **Partnership with Nursery**

We are so pleased with how the children are settling and this is undoubtedly down to you so thank you again for being the best first educators! If you need to speak to Miss Trevett at any time, please send an email to the office: [admin@bovingdonacademy.org.uk](mailto:admin@bovingdonacademy.org.uk).

(My Surgery day is on a Wednesday, I'm here to support you and your child so please feel comfortable in discussing anything relating to your child and their interests or needs ☺).

We can then arrange a suitable time to discuss.

We wish you and your children a wonderful week!

Nursery Team
