

Nursery Weekly Update

Week 7 (11/10/2021)

Good afternoon,

This week we are looking at the wonderful story of 'Mixed' by Aree Chung.

We will listen to the story as a whole group and extend their learning with the following activities:

We will be focussing on activities relating to Personal, Social and Emotional development and Expressive Arts and Design.

Here are a few activities for this week:

- Discussing what happened in the story and how did it make them feel?
- Mixing primary colours (red, blue and yellow) what other colours have you made?
- Using large cardboard to create their own town or city

Reminders:

- Parents' Evenings 13th and 14th October
- Stay and Play 14th October
- Can all children please have black school shoes and trainers for PE only on a **Tuesday**

Tapestry Challenge: Can you please read a story with your child and ask them open ended questions about what happened? Please upload this onto Tapestry as we will share this during our school day 😊

We wish you and your children a wonderful week!
