

13<sup>th</sup> September 2023

Dear Parents and Carers,

We are very excited to inform you about European Day of Languages which we will be celebrating on Tuesday 26<sup>th</sup> September.

Each class will choose a European country or countries with their class teacher and then all activities throughout the day will focus on celebrating the language and culture of their chosen country.

During the day all children will have the opportunity to play international playground games

We have decided the children should come to school in non-uniform but dressed in the colours of a European flag of their own choice.

We are all looking forward to enjoying an exciting theme day and thank you for your support.
