

Nursery Weekly Update

Welcome to Nursery's weekly update!

Autumn 1-Week 1

Welcome to all of our new families! Your children are settling in very well and we will all work together as a team to ensure we have a smooth transition.

Please see below our weekly plans, if any changes occur we will endeavour to inform you as soon as possible. Additionally, it would be supportive to you all if you haven't already to set up a group on WhatsApp or a suitable app so you can keep each other well informed 😊

Polite reminder-Lunches: From Friday if your child is staying for lunch club, we will have a form for you to choose from every morning. Please can you ensure you complete this-Thank you.

Uniform-All children should be in our school kit, apart from on Tuesdays when they can wear trainers. Shoes are required every other day.

Toileting-Can we please ensure that all children are independent and toilet trained. If you need to discuss this please arrange with Miss Trevett a suitable time.

Tuesdays- PE

Our PE sessions are on Tuesdays and the children will be learning to follow instructions and moving and transporting.

Wednesdays-Library

We will start library next week. Every child will be bringing a book home. Can you please read them asking them lots of open ended questions for example, how, why, who and I wonder...?

Thursdays-Springfield

If you haven't already please ensure your child has a named puddle suit and wellington boots as we will explore outdoors whatever the weather! We are incredibly lucky to have our wooded area to learn and investigate in and will enjoy all of the elements during each season.

Partnership with Nursery

We are so pleased with how the children are settling and this is undoubtedly down to you so thank you again for being the best first educators! If you need to speak to Miss Trevett at any time, please send an email to the office: admin@bovingdonacademy.org.uk.

(My Surgery day is on a Thursday, I'm here to support you and your child so please feel comfortable in discussing anything relating to your child and their interests or needs😊).

We can then arrange a suitable time to discuss.

We wish you and your children a wonderful week!
