Dear Parents

SECONDARY TRANSFER 2022

Parents of children in Year 6 will have received a leaflet home called 'Moving On' which contains information to aid you through the secondary transfer process (attached).

The school will also be holding a secondary transfer information session for Year 6 parents on

Below are details of the open evening dates for most local secondary schools and I would encourage parents of children in Year 6 to attend these meetings if you have not already done so. I particularly encourage you to visit the nearest secondary school to your home postcode, even if it is not one of your preferred choices.
