

5th January 2024

Dear Parent/Carer

As you may already be aware, Relationships and Sex Education (RSE), along with Health Education, forms part of the National Curriculum. Therefore, as part of our school's wider Personal, Social and Health Education programme, your child will receive lessons on relationships, sexual health and education as well as personal safety during Years 5 and 6.

The purpose of the RSE curriculum is to provide children with the knowledge and understanding of how to grow up healthy, happy, safe and able to manage the challenges and opportunities of modern Britain.

To prepare you for any questions your child may have after the lessons, the knowledge organisers and resources being used from Kapow Primary will be uploaded to the classes' Google Classrooms and will be available to look at from the morning of Monday 8th January.

Please login using your child's details as usual to access these resources. Each lesson has an accompanying video created by Kapow Primary, however these cannot be added to Google Classroom due to copyright. If you wish to view these videos, please contact your class teacher who can arrange for you to watch them at school.

Kind regards

Mr Douglas –Rose and Mr Swift
